Subject: SOWs

----- Message Contents -----

We just received the following documents on diskette:

- 1) Organic SOW
- 2) Organic National Functional Guidelines for Data Review
- 3) Inorganic SOW
- 4) Inorganic National Functional Guidelines.

They are under the following directory: H:\06639600\230\QAPP. Each document has several different files. If there are any problems, let me know.

Jonathan
